

# Wedding-Venue Comparison Sheet

Put your top venues side by side and let the all-in number — not the prettiest photo — decide.

---

## How to use this

Score each venue you tour on the same lines so you compare apples to apples. The venue that wins on the day you picture, the guest count, and the honest all-in cost is usually the right one.

## Compare each venue on

- Setting and the feeling it gives you
- Comfortable guest capacity vs your list
- All-in cost for your guest count
- What's truly included
- Indoor backup and accessibility
- Food and drink flexibility
- Vendor freedom and restrictions
- Hours and overtime cost
- Deposit, payment schedule, and cancellation terms
- How responsive and clear the venue was

## Decide

- Cross out any venue over your real budget once everything is added up
- Re-tour your top two if you can
- Confirm the price, your date, and the contract in writing before paying a deposit

## Reminder

Vowfield matching is always free for couples. You tour, compare, and choose where to say your vows.

Vowfield is a free matching service, not a wedding venue, caterer, or wedding planner. Costs vary by date, season, city, guest count, and what's included; ranges are examples, not quotes. Always tour the venue and read the full contract before you pay a deposit.
